DAILY COURIER. BY W. N. HALDEMAN. OFFICE: 100 WEST JEFFERSON ST

Hetween Third and Pourth. WEDNESDAY MORNING, . . JAN. 5, 1869

As a general rule we are of posed to attack ing political organizations through indiviception to the tule, and we think that t

reated a an exception. For who does in know that he to-day is, and to ye lo all intents and purposes, he may be aty he Antocrat of dusers in his own des line

over thirty motions of people. In doing we will show that the body he now e utr b anch despotie j- w r, ie n t the fire is, Mr. Sieveus he been at t and a intionist all his lift. The first not rice equire las a public mun, wa in the II of Representatives of Pennsylvania to 1836, when he had an ey doe of committee sointed to inquire into the accrete of by Masonry, which committee was empowered o 'send for persons and papers.' In pursuance of their appointment the

the officers of the Bouer and build in detr for weeks, with a view to estort from 11 what it was alleged they had not only a ever to reveal. Among the eminent citiz thus fortured, may be mentioned the lamen nors Wolf and Shnuk, and Hou. Ge statesmen never i ved. And even the a iod, did not escape the vengeance of this Rev. Mr. Sprowis, of the Presbyterias Church, a gentleman dislinguished alike for

his learning, cloquence and picty, was mad a victim of this persecution, and he too, was of the Honse, thus nott up at you ht his he and holy calling, and this man of tool was held in cuetody for weeks, and he, as well as the other g-utlemen named, would have as proposition. Thus ended the attempt t re men into a betrayal of their honor.

The next-notoricty obtained by the bac-man was life bold aftempt to overturn the sovernment of the State of Pennsylvania by the inauguration of the "Bu kahot War, In 1838, Joseph Rituer, the then anti Ma aonic Governor of the State, was a caudi date for re-election, and Mr. Stevens w: one of the Board of Canal Comm trioners and to accomplish the anccess of his par the money of the people was squandered by bundreds of thousands of dollate, but it all failed and David, R. Porter was elected by a he door majority, but acting then as he does no 1 total disregard of the vol e of the people, h and his coconsyntators issued an iddress of ling spon their triends to "treat the election as though it had not been held, and in that attitude abide the result until the meting of the Leg da tarr," & . It should be staicd here, that there were two sets of more causing seats in both branches, tr on the county of Putladet-phia.

Upon the sa cub up of the Legislatur both sets presented themselves for admis sion, and that too, notwiths an ing il wa known to everybody that the D mocratic members had received a lark majority o votes. Now mark what followed. In the House this man Siev, as, in the course of some remarks he made toneling the l'bladelphis members, suggested the unb ard of and revolutionary proposition to elect her speakers, and following this engicetion two

the opposition a Mr. Cunningham, and to this day, in that good old Common aids, the "Hopkins Hene" and the "Conning ham House" are talked of as familiary though it had occurred but yesterday. These separate organizations are hapt a for some four weeks, we believe, the trans-

A few days after the organization, as history informs us, three of the members of the "Couningham House" resounced their allegiance to the rump, as it was called, and joined the Hopkina Honor, which left the former body with less than a countlin lou

norum, even including the op rum in mile But Mr. Stevens, then a set d "out

ciatic members, this man Stev no induced Governor Rituer to use a per amatten calling out the military, to pur unnec of which some traditions which some twelve or afte a hundred v un teers were brought to Harrisburg, where they

which has no long and so arrogant ; hoa to of its any rior res ar es and its relation fighting allittles, should be so much shorn of its abilits to detend its honor that it mus be I nited State non f da line it in the enbe suctace, where the most stuffd must s and understand It.

south, the Government was compelled to create a debt and put out a paper treute lon which stra na the shility and resonn ade is staguant, and another straw would reak the camel's track.

The announcement that war was declared with England, would reduce the value of greenhacks to about twenty cents a bush i ville our bonds would no longer be mer Not from faxation, for as the people out bold green banks, they could only pay green backs, and consequently incremed taxation would only result in filing the treasury wit creenbacks, which would be worthing. & much in brief tor the Immediate of t of war upon our final But the Commercial is sugar to

set that a few of Stevens' justy irrends were cracy, its dingy garments rolled in blood ould have an awtul res be supported by British gold and aunimated by the wildest hatrods and thirst to r ven e-

Who donbte the truth of this, and who could reasonably look for anything and Who could blame the people of the bouth toraccepting and improving any opportunity which offered the alightest hope of an anytoscape from the teartui late which the Rad cals are preparing for them, and from which may be shought of the windom or right tuin of their efforts to establish a separate nation at ty, in a struggle to throw off the domine on of brutal, ignorant and hast civil ged no out the sympaths of the civil zed works sould live under a negro government it. n told and manly struggle such as the people of the South here bown themselves continuity capable of making, they can descure the protect on of a first case civil and

It is the a rest be ting to any that the rament could aftend to England and the South at the same time. Such a war would be an entirely different aff ir from that will the Confederacy. The Government would be compelled to have large arm each of the operations of he Loglish to vermu at in the Cane Other great arms a would be required to keep the Indiana in order, and others attal to protret our great cities on the ses coast, toth on the Atlantic and the Pacific. There

would be no m ion of men to pour down apon the South. England could luraish slithe moucy and manitions of worthe South would require, and the South could read y complete state of the poem which charmed the men that would be needed, no caceedingly. In that exist of the test of the And, in this coppe then, we will mention a crel not known to many Northern people but whi has well worthy of their serious at laction. It is this fluring the lat was then tere tens and handreds of thousands of me of the fighting age who were not in the army Though the greater portion of their name

were on the army rolls they were not with, and could not be kept with, the army. They were | r wee, who have tam lies d pending upon them ir au port they owned no slave, and i it but slight diswithin to so ridee the slives a dlove the tam to beggare for the purpose of austern-ing the lumitudion of sharery, in which that had no interest. We have beard it stated upon the b be tauthority that al the time of the ur ic dithin wer west fire b ndred the went the n th army r in, cool of the M it But in the event of a struggle between the G v rument and England and Lugland should furnish the sine was of war, every man in the South would have a direct personal interest in taking part in the contest as the opymeans of each personal interest in taking part in the contest as the opymeans of each personal interest in the contest as the opymeans of each person would stand should.
